

We are the Navigation Experts

The major activities of TeleConsult Austria GmbH cover the field of precise positioning and reliable navigation, particularly the areas of development and combination of navigation, telecommunication, and information technologies, and services for applications in the context of transport and mobility. With the expertise of the company team members we develop solutions, services and applications according to our customer needs.

TeleConsult Austria GmbH - Your partner for future applications, technologies and services.

Vacant Position

“System Developer and Project Manager”

Your Challenge:

We are looking for a "System Developer and Project Manager" for high quality system- and software development in the field of positioning and navigation. Your challenge includes general management, technical consultancy, system design and analysis, mobile computing, software development, project preparation and management, business development as well as marketing and development strategies for new products and services. In particular:

- Design and specification of positioning and navigation systems.
- Software development for position determination and data exchange.
- Project management and project monitoring of national and international R&D projects.
- Maintenance, enhancement, test and validation of existing software.
- Work as "Project Leader" and "Project Team Member"

Your Qualification:

- Successfully completed technical education (university degree, or a higher technical education, etc.) in Communications, Electronics, Geodesy, Computer Science or similar areas.
- Profound knowledge in software development, especially in C/C++ on Windows and/or Linux platforms and/or web-application development.
- International project management experience.
- The ability to think creatively and good problem solving skills are highly desirable.
- German and English (European Level C1 preferred).

Why we are special:

- Varied task area and exciting topics in the field of precise positioning, navigation, telecommunication, and information technologies.
- Thorough enrollment phase.
- Stable business environment.

We offer:

- A permanent Full-Time Employment in a young, well-established team with low fluctuation and flexible working hours.
- Work-location at TeleConsult Austria GmbH, Rettenbacher Straße 22, AT-8044 Graz, Austria.
- This position is defined in group IV of the collective agreement "Angestellte im Handwerk und Gewerbe in der Dienstleistung in Information und Consulting" (the latest version is applicable) with a stipulated minimum salary of 2.224,09 € gross / month. Based on qualifications and experience we explicitly point out a market conform salary.
- Easy accessibility by public transport.

We are looking forward to receiving your application (cover letter, resume, references and certificates) including your availability and salary expectations either in German or in English.
